

DUKE ENERGY WANTS TO RAISE YOUR POWER BILL — NORTH CAROLINIANS CAN'T AFFORD IT.

**+18%
RATE HIKE**

**\$30 MORE
PER MONTH**

The NC Utilities Commission is deciding whether to approve a major rate increase that will make electricity less affordable for families and small businesses.

WHAT'S THE ISSUE?

RATES UP **15-18%**
\$23-\$30 MORE PER MONTH

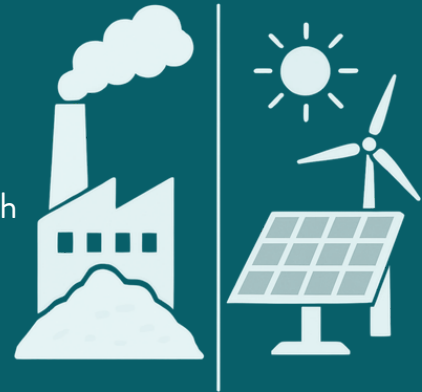

10.95% GUARANTEED PROFIT FOR DUKE

FAMILIES, SENIORS, & SMALL BUSINESSES CAN'T AFFORD TO PAY MORE.

YOUR HIGHER BILLS, THEIR BIGGER PROFITS

- Duke is spending on coal and gas plants instead of cheaper clean energy.
- Duke's Customer Assistance Program which helps 80,000+ low-income households is set to expire this year.
- Customers are paying for coal ash cleanup caused by Duke's own pollution.

WE DESERVE CLEAN, AFFORDABLE POWER

Freeze rate hikes

Expand Bill Assistance

Invest in solar & wind

Hold Duke accountable
